Congratulations to NDHS - an "A" Rated School

Directors' Notes:

Under Construction!!!

Pardon our dust! New Dimensions High School is under construction! We are currently in the process of building a new building that will consist of 7 classrooms. In addition, the original building of the school, Building 1, including the cafeteria will be renovated. The process is very exciting.

The construction company building the new building is The Haskell Company. The funding for the new project is a loan partnership between NDHS, TD Bank, and the USDA. Construction is currently on schedule and the building and renovations are scheduled to be completed in April.

School Advisory Council: Financial Aid Workshop for Parents and Students

The School Advisory Council (SAC) is a wonderful avenue for you to become involved in your student's academic life. The February SAC meeting will feature a Financial Aid Workshop presented by Geri McCormack of the Florida Dept. of Education.

This Financial Aid meeting will be held Tuesday Feb. 1, 2012 at 6:30 pm. If you would like more information on the SAC, please call 407-870-9949.

NDHS Earns an "A" Again!!

Based on the new high school grading system, New Dimensions High School has earned an A for the 2010 school year!

The revised high school grading formula now includes multiple components:

- FCAT performance in reading, math, writing, and science;
- College Readiness in reading and math, as measured by SAT/ACT/CPT;
- Participation and performance in rigorous courses, including Advanced Placement, Dual Enrollment, International Baccalaureate, and Industry Certification classes; and
- Overall Graduation Rate and At-Risk Graduation Rate.

Thank you to the entire NDHS Learning community for making this happen – teachers, students, parents, and community stakeholders!

Out of Field Teacher Report

Mrs. Ullmann– Spanish (currently completing certification requirements to add Spanish to certificate)

Mrs. Leach – Currently working on Florida ESOL endorsement

Ms. Hill - ESE (currently completing certification requirements to add ESE)

Athletics

From the Athletic Director, Cathy Esposito:

NDHS Boys Tiger Basketball Boys will compete in the District 2A Tournament.

Semi-Finals will be played the week of Feb. 6, 2011, and the District 2A Finals game will be held Friday, Feb. 10th. All games will BE played at Santa Fe Catholic School. Go out and support your Tigers!

Please help us continuously improve NDHS. Visit our website at www.newdimensionhs.com and completing the parent or student survey. The survey is very user friendly and will only take minutes to complete. We greatly appreciate your support. Together we can make NDHS the best school in the District!!

**Congratulations
