- **Advisory Committee Topics -**
- Dr. Grimm addressed the student drop-off and pick-up issues in front of the school and explained the meeting she had with the Osceola County Traffic Engineers. At their request and with the approval of the church next door, parents are directed to make their drop off and pick up in the parking lot loop of the church next door. Most parents are adhering to this request. Map was distributed.
- Dr. Cafiero went over the testing schedule for the remainder of the year. This included the FSA, EOC, and AP tests. Schedule was distributed.
- Dr. Grimm addressed access to FOCUS for parents and students – grades, attendance, test scores, and graduation requirements. She also indicated that students now have access to FOCUS course selections for next year. The PP instructions are on the NDHS web site under ACADEMICS -> Curriculum Guide.

- **OPEN ISSUES**
- Mrs. Torrence asked, that during AP testing, that students not be allowed in the cafeteria. Everyone at the meeting thought this was a good idea. We will try to divert the students to teacher classrooms to lessen the noise during AP testing.
- Mrs. Torrence proposed to allow AP students the opportunity to leave after they take their AP test. This would be offered as a small perk for having taken the course and test. With parent permission, the students would be able to leave the campus by giving their permission slip, signed by the parent, before exiting the campus. Motion was made by Dr. Cafiero, seconded by Dr. Grimm and voted. The motion passed unanimously.

- **Motion to adjourn at 7:00pm**
- Motion was made to adjourn the meeting by Miss Sosa and seconded by a parent. Meeting was adjourned at 7:00PM.
