

9.7.2021 Building Capacity Meeting Notes

Subject: Helping Your Teen Succeed at New Dimensions High School

Agenda

Graduation Requirements

School to College -DE

General School Policies

Mr. Alferts started the presentation at 6:35.

He discussed what the graduation requirements are and how parents can see what their student still needs using focus. He also indicated that Ms. Sosa can help parents access focus. He noted that students need to take the Geometry EOC and need to pass the class but not the EOC to graduate.

Mr. Alferts then spoke about our Dual Enrollment program with Valencia focusing on how parents can help the students achieve the needed PERT score so they can be accepted to Dual Enrollment.

The final item discussed on the meeting was how parents and students can communicate with the teachers and the importance of having parents involved with their student's education. Mr. Alferts covered the current policy / procedures and fielded questions.

Meeting closed at 7:10
