Welcome: Mrs. Barrett welcomed the group and discussed the previous minutes. Mrs. Bhoj motioned to approve the minutes and Mr. Alfery 2nd the motion. The minutes were approved.

Winter Test Scores: Test scores were scheduled to be released in January but they have been pushed back to mid-February. This change will make the execution and preparation for testing more difficult.

Access for ELL's: All of our ELL students have been testing. The test measures language acquisition skills.

Algebra 1 and Reading Retakes: 11th and 12th grade students sat for their retakes in February. This timing will allow for them to sit again in the summer if needed.

FSA Reading and Writing: In April and May the students will take the FSA Reading and Writing exams.

Progress Reports: Progress reports will be released on February 8th.

Cultural Night: On March 1st NDHS will host our annual Cultural Event. We anticipate a large turnout for the event.

Adjourn: Mr. Alfery motioned to adjourn, and Mrs. Bhoj 2nd the motion. Meeting was adjourned at 6:20.
