Date: Tuesday, March 1st, 2022

Time: 6:30 Location: NDHS Auditorium (4900 Old Pleasant Hill Road)

Agenda

- Modifying the Student - Parent - Teacher - School Compact
- Modify Parent and Family Engagement Plan
- Approve Student-Parent-Teacher-School Compact
- Approve Parent and Family Engagement Plan

Mr. Alferts started the presentation at 6:35

He presented the Student-Parent-Teacher-School Compact draft that was created last month and gave a copy to those in attendance. He then went over what changes had been made and solicited feedback from the group on additional changes. No changes were suggested. The group voted on the plan was passed.

Next Mr. Alferts discussed the PFEP, he indicated that due to parent and teacher feedback the school was planning on reducing the number of building engagement events. He then asked for feedback from the group. The general consensus was that it would be a good idea to reduce the number and make the events higher impact.

Mr. Alferts asked the group if to review the plan and offer any feedback.

Suggestions included providing more volunteer opportunities and making sure those opportunities are communicated to the parents.

The group indicated that they did like the idea of having a College Night and Stem Event that would offer ideas on how to engage in STEM learning at home.

Adjustments to the PFEP were made, the plan was voted on and approved.

Meeting closed at 7:15
